

**COMMUTER PARKING PERMIT RENEWAL DEADLINE IS
THURSDAY, NOVEMBER 9, 2007**

(October 1, 2007)...Parking Permit renewals for commuter parking were mailed out on September 24th to all those who have parking permits currently and to those whose names are on the waiting list. Every piece of mail was bright orange, complete with pictures of a car and a train, in hopes that the mailing would not get lost in a file! If permit holders and those on the wait list did not receive their renewal applications please call the City of Rye, City Clerk's Office (967-7371) and arrange to pick up a duplicate.

The **deadline** for returning the renewal application is **Friday, November 9 at 5:00 P.M.** It is imperative that all forms be received by this deadline as there will be no exceptions. Once all the renewal forms are reviewed, renewal permits will be issued in early December. New permits will be issued to those on the waiting list as space permits.
